# CRUSHING COLLEGE

Tarika, Yusra, Vrinda, Prasiddhi

# FUTURE ITERATIONS
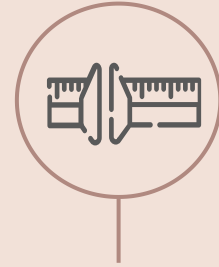

## INTERACTIVE PILLARS

Have the pillars respond to the quiz and size themself accordingly

## MORE INFO

Add more resources for students to learn from!

## CONSTRAINTS

We want our app to work on all devices well!

# APP FUNCTIONALITY

- Finds users area of weakness with curated quiz

- Assists users in areas they lack

- Five unique topics with tips and hyperlinks

- Warm colors are inviting and make the user feel comfortable

## QUIZ

1. How much help do you need with standardized testing (SAT/ACT)?

2. How much help do you need with writing your college essays?

3. How much help do you need with filling out FAFSA/Scholarship apps?

4. How much help do you need with creating a college list/picking a college?

5. How much help do you need with filling out the college applications?

SUBMIT

## WRITING YOUR COLLEGE ESSAYS

**Tips:**

Make connections between your different interests or likes that aren't already present in your application. You can even take a simple interest such as your love for cereal and find a way to connect it to your passions.

Show don't tell. Show the admissions officer how your experiences have shaped and influenced you rather than simply recounting an event. This means including details and reflecting.
